JOB APPLIED FOR
POSITION
PREFERRED JOB
STUDIES APPLIED FOR

President of Network of Primary Health care

WORK EXPERIENCE

Vice chair of European Forum for Primary care

<http://www.euprimarycare.org/about/members-efpc-executive-board>

President of Slovenian Association of Family Doctors for the period 2013 – 2017 (more than 800 members of Association)

<http://www.drmed.org/board/?lang=en>

President of Legal and Ethical Committee of Slovenian Medical Chamber for the period 2008-2016

<http://www.zdravniskazbornica.si/zs/977/odbor-za-pravno-eticna-vprasanja>

Specialist of Family medicine, employed at Galenia d.o.o.

<http://www.galenia.si/>

Professor at the Department of Family Medicine, Medical Faculty, University of Ljubljana

<http://www.mf.uni-lj.si/kdm/zaposleni>

Erasmus coordinator in the field of Family medicine in Slovenia <http://nphc.eu/>

EDUCATION AND TRAINING

On the basis of a decree adopted by the Senate of the Faculty of Medicine I was granted, on 20 April 1998 the title of Assistant for the subject Family Medicine.

In 2000, I became project coordinator of IMPROVE (Improvement of older patient involvement in medical care, <http://baserv.uci.kun.nl/~improve/>) for Slovenia. This is an international project performed under the auspices of the European Community, involving 11 countries.

In 2003, I became co-ordinator of the international project called PREDICT with the following participating countries: Great Britain, the Netherlands, Portugal, Spain, Estonia and Slovenia (<http://www.rfc.ucl.ac.uk/departments/EUPredict/>).

I have been member of the Executive Board of the International Federation of Primary Care Research Networks (IFPCRN), <http://www.ifpcrn.org/> since 2004.

In 2004, I became President of the Slovenian Heart Foundation and in 2005 member of the Executive

Board of the European Heart Network.
 In 2006, I defended PhD, based on research Elderly people participation in healthcare

Replace with
 EQF (or other)
 level if relevant

PERSONAL SKILLS

Mother tongue(s) Slovenian

Other language(s)

	SPEAKING	WRITING
English		
French		
Serbian		
Croatian		

Communication skills Good communication skills gained through my experience as president of legal and Ethical Committee and as president of Slovenian Association of Family doctors.

Organisational / managerial skills Leadership of Slovenian Association of Family doctors (currently responsible for the executive committee of 9 people)

Leadership of Legal and Ethics Committee of Slovenian Medical Chamber (currently responsible for the committee of 9 people)

Coordinator of the following projects for Slovenian branch:

- IMPROVE project (Improvement of Patient Involvement in Medical Care)
- PREDICT in which a large cohort of 6000 patients was followed and checked for the episodes of depression. Researchers in UK, Netherlands, Portugal, Spain, Estonia and Slovenia were trying to find the characteristics, which may predict future episodes of depression.
- PHAMEU (Primary Health Care Activity Monitor for Europe) is a research funded project by the European Community under the Public Health Action Programme (2003-2008).
- QUALICOPC (Quality and Costs of Primary Care in Europe) study aims to analyse and compare how primary health care systems in 34 countries perform in terms of quality, costs and equity. We aim to show what configurations of primary health care are associated with better outcomes. QUALICOPC is an EC funded project under the Seventh Framework Programme.

Job-related skills Specialist of Family Medicine

Computer skills Good computer skills.

Other skills Folk music dancer <http://www.zidanparazol.si/>

Driving licence Driving licence category:
▪ B
